New York, N.Y. (November 2, 2008) – Teams from California, Pennsylvania, Maryland, Virginia, Missouri and Florida captured national championships at the World TeamTennis Rec League Nationals presented by Advanta this weekend at the Indian Wells Tennis Garden in Indian Wells, Calif. It was the first national championship title for six of the nine championship teams.

Forty-two recreational tennis teams from 15 states battled for national championship titles in nine divisions.

Teams advanced to the national finals by either qualifying from their respective division in six WTT Rec League national qualifying tournaments or by winning their local Corporate League. The weekend kicked off with a Wilson clinic hosted by WTT co-founder Billie Jean King.

All matches used the WTT format, a fun, fast-paced co-ed team format that encourages equal contributions from both genders. A team has a minimum of four players, two men and two women. The WTT format uses five or six no-ad sets: men's and women's doubles, men's and women's singles and one or two sets of mixed doubles.

Teams competed for titles in nine divisions: 3.0, 3.5, 4.0, 4.5, Senior 3.5, Senior 4.0, Corporate 3.5, Corporate 4.0, and Corporate 4.5.
