

WTT[®] REC LEAGUE PROGRAMS **WTT is tennis for everyone!**

For more than 25 years, nearly 500,000 tennis players of all ages and abilities have discovered what WTT Rec League programs are about – we're about tennis for everyone!

Why recreational players choose WTT Leagues:

INCLUSIVE

Players with different NTRP ratings can play on the same team – it's about the average. One can be a 4.5 and another can be a 2.5; both playing in the 3.5 division!

INNOVATIVE

From junior events to corporate leagues, the WTT Rec League delivers fun, social and competitive programs – all using WTT's unique coed team format.

FUN

Friends, family, co-workers, classmates – everyone can play together on the same team. Introduce new players to league tennis with WTT's user-friendly format.

WTT CORPORATE LEAGUES

At work, we play. WTT Corporate Leagues are one of WTT's fastest growing programs. With support from the USTA, WTT is turning companies into teams nationwide. Ranging from small community businesses to Fortune 100 corporations, co-workers and friends are hitting the courts to take on other local companies and also have the opportunity to compete at the WTT Nationals.

WTT JUNIOR NATIONALS

This tournament, hosted by WTT co-founder Billie Jean King, is a premier national junior tournament event featuring 16 coed teams from across the U.S.

WTT REC LEAGUES

Local Rec League teams compete at National Qualifiers held in each division to earn a spot in the WTT Nationals each November to battle for a national championship title.

X TEAMTENNIS HIGH SCHOOL EVENTS

Think WTT with a quick and exciting twist. The X TeamTennis format features high school coed teams competing in three sets – boys' and girls' singles, and mixed doubles. Regional X TeamTennis events will take place across the U.S., with event winners qualifying for the X TeamTennis National Championships.
