Sam Querrey serves for the Aces

(July 12, 2008) - - - The 20-year-old California native Sam Querrey who has climbed to No. 44 on the ATP Tour will replace Andy Roddick on the St. Louis Aces' team.

"We are thrilled that Sam could step in for Andy," Aces General Manager Dani Apted said. "He has a huge serve that rivals Andy's and Sam is fighting his way up the rankings. He has a fun personality and an amazing game. Sam will be a great addition to our team."

With his punishing serve and huge forehand, Querrey has defeated players such as Sebastien Grosjean and Richard Gasquet. This year he won the Tennis Channel Open in March. Querrey has had close matches with numerous top ten players even taking a set off of James Blake when he was ranked No. 6 on the tour.

League Background

The World TeamTennis Pro League presented by Advanta enters its 32nd season of play in 2008. Billie Jean King and Larry King created the unique gender-equity team concept in the early 70s. The format used for a WTT Pro League match features teams comprised

of two men, two women and a coach. Each match consists of five sets, with one set each of men's and women's singles, men's and women's doubles and mixed doubles.

World TeamTennis is well known for introducing innovative elements to tennis. Instant replay, which debuted at WTT matches in 2005 as the WTT Coaches Challenge and marked the first time the technology had been used in a professional tennis match, returns to select WTT matches in 2008. Other WTT firsts include co-ed format, cumulative and no-ad scoring, on-court coaching, Super tiebreakers, multi-colored courts and player names on back of their shirts.
